New partnership with Hiroshima Prefectural Kamokita Senior High School in Japan

小さな学校 大きな夢  
A Small School conceived in Big Dreams

We are very excited about our blossoming partnership with Kamokita Senior High School in Japan.

I recently received a letter from the new Principal Mr Naoharu Sera reaffirming their wish to be partners with Whitley Academy, and opening dialogue with regard to exchange visits between the two schools for our staff and students.

Please click on the link to have a look at the school's website:

I will keep you updated as the relationship progresses, and visits are organised.
