

### How is it tested?

Most of the qualification is tested by coursework that's set and marked by your child's teacher. This will be done throughout the two-year course. So if your child likes project work, enjoys research and doing practical things they may find a Cambridge National a better option than a GCSE.

One of the units that students must take – on pre-production skills – involves a written exam that lasts one hour and 15 minutes and is set and marked by our team at OCR.

### What could your child do next?

**Cambridge National in Creative iMedia is effective preparation for a range of qualifications including:**

- **Cambridge Technicals** – IT Level 3 or Digital Media Level 3 (these are OCR vocational qualifications that offer an alternative to A levels for students aged 16+).

Students could also consider moving into AS or A Level Computer Science.

There are many different careers that this qualification could help you move towards.
