Please use the space provided below to explain:

- Why you are applying to Whitley Academy Post 16

Choices after Post 16	
Are you considering going to University?	
If so, what are you considering studying at University?	
If not University, what else are you thinking of doing after Post 16?	
What career/job are you currently considering?	

All students are required to achieve at least a 4 in English and Maths and grade 4s in 3 other subjects to be accepted into Post 16. There are then specific requirements for each subject shown below.

The majority of students choose to study 3 A levels or BTECs, however, students who achieve exceptional results at GCSE (majority of results 8-9) will be given the opportunity to study an extra A Level.

Please indicate which subjects you would like to take at Post 16 by completing the grid below. Please indicate your preference by writing 1st, 2nd, 3rd in the choices column. **Whilst we will aim to provide students with all their choices, they are subject to fitting into the timetable model and staffing for September 2021. Where the subjects do not fit, or staffing is not available, alternative provision will be offered or alternative choices may need to be considered.**

If you are interested in doing a subject not mentioned below please include it in the 'Other subjects' section of the grid.
